David DeFelice

Mr. David DeFelice began his teaching and coaching career at Middleborough High School in the fall of 1999 as a history and social science teacher. Prior to teaching at Middleborough High School, Mr. DeFelice enjoyed a career in both politics and the classroom. Mr. DeFelice served as a successful mayoral campaign manager in Bridgeport, Connecticut followed by his impressive career as a classroom teacher into the 1990's prior to joining Middleborough High School in the fall of 1999. During his time here at Middleborough High School, Mr. DeFelice taught many different history and social science courses including United States History I & II, Civics and Government, and America in the 1960's just to name a few. Mr. DeFelice served as the head coach of the varsity football and girls tennis teams, and as the advisor for the American Legion Oratorical Contest where Mr. DeFelice led students each year as they developed a deeper knowledge and overall appreciation for the U.S. Constitution. As a daily practice, Mr. DeFelice remained a wonderfully composed, friendly, and helpful person who immediately made himself available each school day to help in any way possible with the students he taught, the athletes he coached and the colleagues that he collaborated with daily. Mr. DeFelice communicated his love of teaching and learning history, social science and politics daily, to which students reacted very positively. Mr. DeFelice always challenged every student on his roster academically while impressing the importance of critical thought while delving into the numerous complex topics and issues within the history and social sciences curriculum, and beyond. The past and present students and staff thank Mr. DeFelice for his 23 years of teaching, coaching, leadership and dedication to the Middleborough High School, and for always bringing his best self forward on a daily basis. Thank you for your years of dedicated service and leadership in the classroom and beyond, Mr. DeFelice. You truly made a difference in the lives of so many throughout the years. Best of luck with all that you do in the future and we hope that you enjoy your retirement!

Dedication

Brian Lynch

It was July 1, 2015 when Mr. Brian Lynch began his final phase of leadership as the Superintendent of Middleborough Public Schools. He was beyond proud to follow in the footsteps of his beloved father, Dr. Lincoln D. Lynch. During the past seven years, it goes without saying that Mr. Brian Lynch has served the Middleborough School District with distinction and honor. Mr. Lynch is very well respected by many and his community connections have always been a great asset to his leadership. As a Middleborough resident, Mr. Lynch understood the dynamics of this town and worked in collaboration and respect with all departments within Middleborough.

As the Superintendent, Mr. Brian Lynch brought a love of community, leadership and commitment to supporting all students. Mr. Lynch always spoke about Middleborough with pride and respect and his actions resembled the kind of leadership he demonstrated each day.

Mr. Lynch came to Middleborough with several years of educational leadership experience as a school administrator from preschool to middle school. He led George Mitchell Elementary School in Bridgewater with a beginning population of 1200 students Pre-K to 3rd grade from 2008 to 2015. Prior to this appointment, he was the Headmaster of the North House under the direction of Dr. Costa, who was the Principal at this time. Although a six foot plus gentleman, students always loved to see Mr. Lynch and he loved talking to them about their goals and aspirations, even after they graduated. There were many years where he would volunteer to dress up as Santa to support the PTA.

Mr. Lynch has always left his mark at each school he served and his imprint on Middleborough has been nothing but positive. As he closes out his years as the Superintendent of Middleborough Public Schools, he has certainly made his parents, family and community proud. As Mr. Lynch retires, it is only fitting that he closes his educational leadership career within the Middleborough Public School District. Mr. Lynch's presence in Middleborough Public Schools will be greatly missed. Thank you Mr. Brian Lynch for serving Middleborough with dedication, dignity and pride.

A Note From Mr. Branagan

Congratulations to the Class of 2022! To begin, one of the greatest joys in my life is the honor to have served as your Principal for the last four years. This class is beyond special and I will always cherish the amazing contributions you have made since the moment you walked into the high school to help make our school even better.

This class will be remembered as one of the most connected, inspiring, strong and special classes to ever graduate from Middleborough High School. The commitment from every member of this graduating class will leave an unforgettable mark on the future of our school. You grew as Sachems in the old, weathered, but beloved school. You became involved in all aspects of our school community. You were planting your roots. The energy of this class has been paramount to the success of our school. This class demonstrates the very best in leadership, athletics, musicians, actors, artists and most importantly...people. You cared deeply for each other and your care and compassion were evident in the numerous community service programs this class organized and led. This commitment to those around you did not go unnoticed. You demanded excellence from everyone around you. We became better educators and people because of the resilience and pride within this class.

This class will be remembered for strength and determination during one of the most challenging times in our lives. The Covid-19 Pandemic changed the narrative on so much of your high school years. However, through the loss and challenge, the Class of 2022 only became stronger...more united. This class would demonstrate this strength as you took ownership of the new Middleborough High School and made it your home. You have led our school through one of the most challenging times in history through your commitment to your school, your community and most importantly, each other. This class made a commitment to have an incredible senior year...and I think you have lived up to that mission. You have been leaders in the classroom, athletic fields, the stage and the art rooms. You have created the next chapter for the important work of our school to ensure that each and every student feels safe and welcomed at our school. You demanded voice and perspective and for that I am forever grateful. You created new traditions and at the same time...brought back the spirit and pride of being a student at MHS.

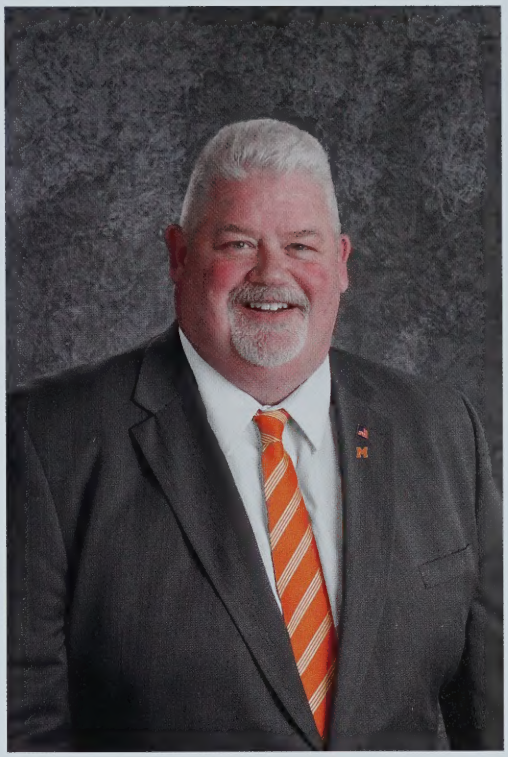
The Class of 2022 has given me so many tremendous and unforgettable memories that I will cherish for the rest of my life. Thank you for challenging me to be the very best that I could be for all of you. Thank you for making me a better educator and most importantly...a better person. Each of you have impacted me and I will never forget this class. You defined the essence of true strength and love for your school. You have left Middleborough High School better than you found it. As you close this chapter of your life, please take this strength, resilience and grit and bring it to the world that needs so much love and support. Pay it forward each and every day of your life. Give to those in need. Make a difference in your community, your chosen professions and most importantly...be happy with who you are and all you will bring to this world once you leave MHS to begin your life. You will do amazing things.

Always be good to each other and never stop leading and inspiring.

With Gratitude and Sachem Pride,

Paul F. Branagan Jr.
Principal

A Note From Mr. Brian Lynch



Dear M.H.S. Class of 2022,

Congratulations!

I would like you to know that it has truly been a privilege to have served as your Superintendent of Schools. When I was initially appointed to my position, your class was just finishing up elementary school and you were headed to the middle school! As you may know, I am retiring this year so I guess it's safe to say that we're all leaving the Middleborough Public Schools together! I'm happy to know that each of you, in your own way, has "finished strong" and exemplified what being a "Sachem" is all about. As proud graduates, you have accomplished a great deal and are now positive role models for countless current and future students in the Middleborough Public Schools!

Your high school years have certainly been rife with change and challenge. Your graduating class started your journey in the "old" high school while watching the construction of the "new" M.H.S. You were then able to experience and enjoy a portion of your Junior year and all of your Senior year in your new school while watching your former school transition to a parking lot. In addition, and unfortunately, the Class of 2022 was forced to deal with the all of the challenges that the Covid-19 pandemic brought upon our school community and society. This level of challenge and change you've experienced has been second to none in the history of Middleborough High School and it has certainly been a remarkable journey for the Class of '22. On your graduation day, my thoughts will travel back in time to forty three years ago when I celebrated my own graduation from M.H.S. Although it seems like "only yesterday" to me, I can still remember, with great fondness, my days as a Sachem and I would not trade those friendships developed and memories made for anything. My sincere hope for each of you is that the friendships and memories you have made while at Middleborough High School will last you a lifetime!

As you transition to the next phase of your lives, I am confident that you have been well prepared with the knowledge, skills, attitudes and beliefs necessary to face the challenges that lay ahead for you. Please know that you will always have the support of your family, friends, school system and the Middleborough community.

In closing, and on behalf of the entire Middleborough Public School system, please accept my heartfelt best wishes to each and every one of you for a healthy, happy and successful future.

Once a Sachem, always a Sachem.

Sincerely,
Brian Lynch.

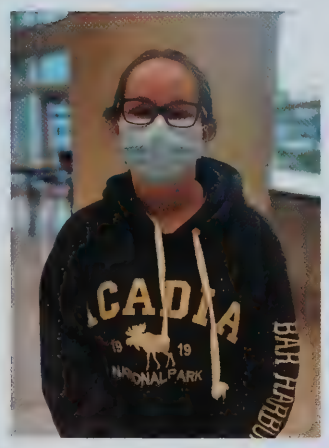
Clubs & Other Activities



The **School Council** is an integral feature of the Education Reform Act and a vital resource for the management of the school. It creates a site-based management team that allows teachers and administrators to work with parents, students, and the community in decision-making, budgeting, and developing the school's improvement plan. This year's representatives are Hana Marshall and Lucy Teixeira.

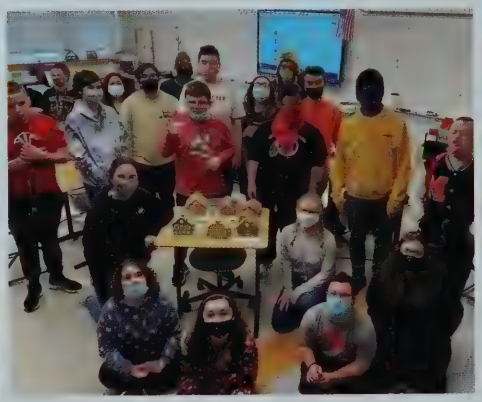
Each year, a few students are elected to the **Student Advisory Council** (SAC). These individuals represent Middleborough High School at the student advisory council where students discuss legislation that impacts all students. This year, representatives are Madison Hancock, Isabella Generazo, and Monique Hanna.

Each year a student is selected as the Middleborough High School representative for the Hugh O'Brian Youth (**HOBY**) Leadership program. The program began in 1958 and has continued to develop more and more each year. HOBY reaches out to private and public high schools helping high school students develop their leadership skills. This year's representative is Lila Peddie.

Middleboro School Committee selects a student representative each year. This position gives the school committee information on upcoming High school events and also gives students of Middleboro High a voice during the meetings throughout the year. This year's representative is Natalia Parkinson.

The **Fire Science Program** is an internship at the Middleborough Fire Department. Interns are invited to work alongside firefighters as they are taught the basics of fire science. The seniors who were able to be a part of this internship were Ryley Martin, Jaden McCormack, Robert McNaughton, Devin Myers, Amber Pelogitis, Daniel Reed, Olivia Sacchetti, and Ryan St. John.

Each year, a few students are selected to create the **Timaron Yearbook**, which stands for "Time Marches On". These students are involved in every challenging step when creating the yearbook by using advanced editing software. Advisors, Mrs. Sangeleer and Mr. Reynolds assisted editors Elle Doherty and Liana Davidson with this year's edition.



Best Buddies is a program where students work with other students who have intellectual disabilities and is supervised by Mrs. Snook. During meetings, students play games and host events like ice cream socials and move nights.

Math Team was created for students who enjoy challenging themselves mathematically beyond the scope of the classroom. For the 2021-2022 school year, members of the MHS math team competed in the Southeastern Massachusetts Mathematics League, with a combination of meets at other schools and online meets. Students have a chance to collaborate with each other to solve problems, and compete for the prestigious Thompson medal, awarded to the highest scorer at the end of the season.

Advised by Mr. Harris and Mrs. McGurk, **YESS Club** is the Youth Environmental Science Society. This club is a group of students dedicated to helping nature. Students help recycle all the paper and bottles in the building. The group also participates in an annual Trash Fashion Show, where they create fashionable clothing out of recycled products. Thank you for all the work you do to help make our school and our world clean!

GSA Club is accepting of all Middleboro High School community members, and all are welcome to attend meetings. The MHS GSA mission is to promote equity, equality, and a feeling of safety among all members of the MHS community and culture through education, activism, and a supportive environment. We follow the GLESN calendar of events, which is a non-profit educational organization that promotes wellness and awareness for LGBTQIA community.

Advised by Mr. Reynolds and Mrs. Snook, the **Key Club** is an organization that devotes their time to giving back to the school, community, and the world. Key Club is sponsored by the Kiwanis International Organization. Key Club Students host annual events such as the Eat to Heat, which is also a huge success. Thank you Key Club for all of the hard work you put into making our school and community great!

Pizza Club meets monthly throughout the year. They taste test local pizza shops to see which one is the best! Each meeting has a fun theme where there's tons of fun games and Kahoots to play! It's a great way to bring the school together and make new friends! Run by President Julie Mulloy and Vice Presidents Olivia Pasquarello and Cassie Heleen. With help and support from advisors Mrs. Davis, Ms. Redpath, and Mr. Converse.

Game Club is a competitive club where you can get together with your friends and play competitive games to try and win the game club crown. With advisor Mr. Converse and president Jamison Studley, Game Club is a place where you can make new friends and really show your competitive side.

The **National Honor Society** is composed of student leaders who have demonstrated distinction in areas of academics and service. Throughout the year, members of NHS work together to create and organize various initiatives to give back to the school community and uphold commitment to scholarship, service, leadership, and character. Executive board: President - Madisyn Hancock, Vice President - Korynn Dones, Activity Officer - Natalia Parkinson, Secretary - Ben Bramwell.

Dance Club is an opportunity for dancers from different backgrounds within MHS to come together and collaborate. They share ideas, skills, and choreography to learn and grow from one another. Their goal is to break down the competitive stereotype and create an inclusive space that brings together all different dancers. Dance club is a great way for people with busy schedules to get involved in the school and connect with people who have a common interest.

Silver M Society is a group of students nominated by teachers and selected by other members, that show leadership, academic achievement, and kindness. There is a ceremony each year inducting new students into Silver M. This year, the students representing Silver M are Liana Davidson, Noah DeGrazia, Elle Doherty, Addison Enos, Matthew Gwozdz, Madisyn Hancock, Julie Mulloy, Olivia Sacchetti, and James Swarce.

Band, Concert Choir, Jazz Band, Orchestra, and Sachem Singers

The MHS **Orchestra** members show off their talents and hard work at concerts and competitions throughout the year. Unfortunately, since the pandemic is still hitting us, competitions were not able to happen this year, but some members of the MHS Orchestra auditioned and made Senior SEMSBA and districts. The Orchestra is presented with difficult pieces and conducted by Justin Pittsely.

Under the direction of Patrick Converse, **Concert Choir and Sachem Singers** work hard to perfect their musical performances. Concert Choir focuses on perfecting each member's singing skills while Sachem Singers focuses more on improving singing skills. Each group performs at events such as pep rallies, caroling, and competitions.

The MHS **Band**, conducted by Justin Pittsley, brings a lot of energy and excitement to parades, pep rallies, football games, concerts and more. They have been playing all year with as much passion as before the pandemic hit us. Along with Band, the group has created a new group called **Jazz Band**.

Speech and Theater Workshop

For those who don't know, STW stands for Speech and Theatre Workshop. STW gives students opportunities to learn and apply real acting techniques to perform on a stage as well as learn production behind the scenes. So far this year, we have coordinated two coffeehouses, one for freshmen and one for the holidays, for people to play games, eat food, and hang out together. Ms. Duggan, the STW leader, directed them in their rendition of The Tempest, by William Shakespeare. All three events have been an overwhelming success and they can't wait to see what STW has in store for the remainder of the year, including the performance of the musical Mamma Mia in late March.

Middleboro Student Council

Middleboro High School's Student Council allows every student to be involved. Our student council is one of the largest and most dedicated councils, and has received State, Regional, and National awards for excellence. Student Council members work tirelessly to provide students with engaging and exciting events throughout the year. The Student Council advisor is Mr. Branagan, who is known around the nation as one of the greatest Student Council Representatives there has ever been. Mr. Branagan works hand in hand with our executive board to make our council one of the best ever!

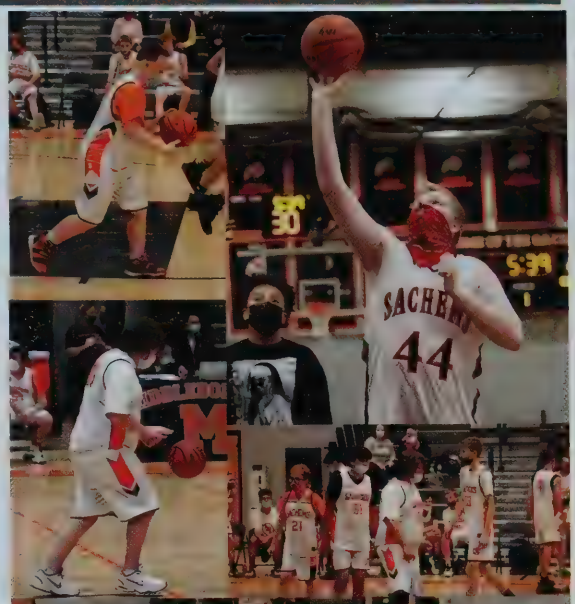
Sachem Sports

Seniors: Dean Caffery, Devon Costello, Shane Hathaway, Kevin Hedding, Daniel Jackson, Gianni Perea, Olivia Sacchetti

Unified Basketball



The MHS Unified Basketball Team enjoyed another fantastic season highlighted by excellent team work, selflessness, and total inclusion. The Sachems won four out of six regular season games where every athlete scored, played great team defense, and played purposeful minutes. Season highlights were a win over Plymouth North at NMS in our home opener, a complete team win over New Bedford on the road, and the end of season Jamboree at Durfee High School. In the last game of the season against Old Rochester, Tristan Tremblett noticed that an athlete on ORR was struggling to score when their entire team and fanbase was cheering for him to score. In an act of pure selflessness and inclusion, Tristan handed the basketball to the athlete, who had not scored all season long, and allowed him to take the game's final shot which the young man scored! The entire gym erupted with applause at the young man's success that could not have happened without a true act of kindness. That is what Unified Sports are all about! The coaching staff was truly impressed with a great group of athletes and an exceptional group of partners who made this season a great success.

Unified Track & Field

The 2021 season was shortened due to COVID, but was still as enjoyable and rewarding as ever. The team welcomed back six returning athletes and were excited to welcome four new athletes to the team as well. Almost every single athlete saw a personal best record this year, with four of our athletes achieving a personal best in three different events. They hosted the regional meet at the amazing new stadium, which was made possible by the impressive turnout of student volunteers who donated their time to help with timing and measuring events. Daniel Jackson did a great job of kicking off the day by carrying the torch, and Devon Costello made us proud by reading out the athlete oath, "Let me win. But if I cannot win, let me be brave in the attempt". The team is looking forward to the 2022 season.

Volleyball

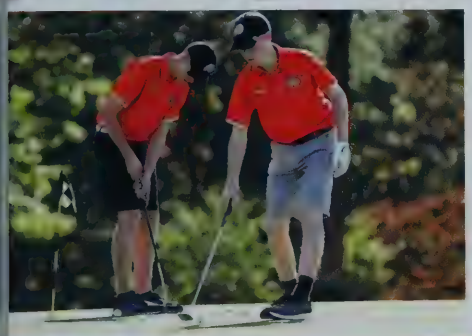
Seniors: Liana Davidson, Elle Doherty, Caitlin Johnson, Emma Kitson, Gianna Pasquale, Alyssa Rouillier

The 2021 season was tough for the Sachem Volleyball Team. With the problem of not having a home gym, the team had to travel away for all of their matches. However, even with this complication, the team worked hard to push through this obstacle. The team was finally able to play two home games at the end of their season which was a huge success. Leading the team, senior captains Liana Davidson and Elle Doherty, were able to motivate the Sachems with bonding experiences that created an everlasting relationship. The volleyball team has grown immensely from the start of their season and will continue to excel in the season ahead.

Golf

The Middleboro Sachems Golf Team, lead by captains Matthew LaBollita, Charles Montross, and Justin Tullish, were in full swing this year with a 12-6 record. This season, the team played competitively and had a lot of fun. Congratulations to Cameron Cochran, Justin Tullish, Hunter Robinson, and Charles Montross for qualifying for divisionals.

Senior: Matthew LaBollita



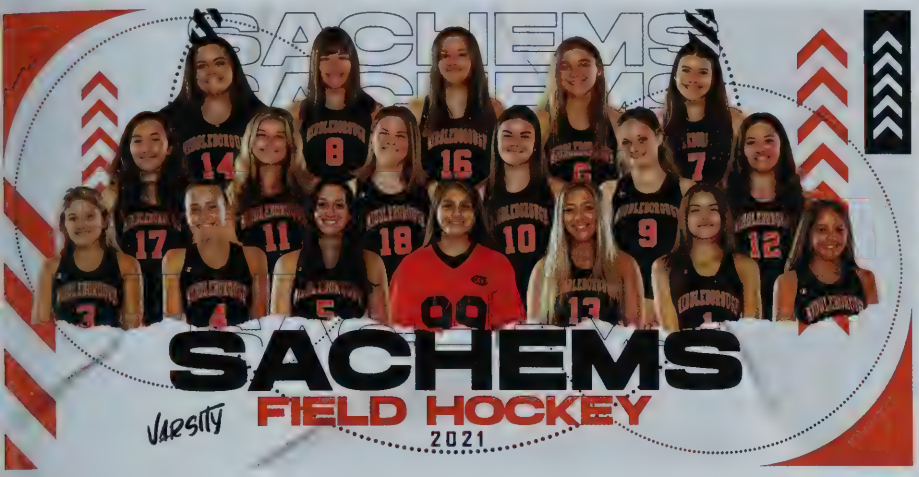
Cross Country

The Middleboro Boys Cross Country team had an excellent season this year finishing with a 5-2 record and placing 2nd at the league meet. This year's team was led by senior captains Noah DeGrazia and Michael Neitlich and coaches Thomas Smith, Heather Montross, and Megan Connor. This year was the first time the team allowed 8th graders to join, which was greatly beneficial. With such a young roster, the team has a promising future.

Seniors: Madisyn Hancock, Alexandra Kirkpatrick, Lillian Kirkpatrick, Kalen Almeida, Noah DeGrazia, Michael Neitlich

The Middleboro Girl's cross country team had a very strong season finishing 5-2. The girls were led by senior captain's Ally Kirkpatrick and Madisyn Hancock, along with Coach Smith, Coach Montross, and Coach Connor. This year, the 8th-grade girls from the middle school team were pulled up to compete on the high school team, which contributed to the successful season. The girls earned four South Shore League all-stars which were Madisyn Hancock, Ally Kirkpatrick, Lilly Kirkpatrick, and Megan Youngquist. The girls had a strong post-season with Ally Kirkpatrick and Madisyn Hancock qualifying for the All-State Championship, and hope to repeat the success next year.

Field Hockey



Seniors: Camryn Brady, Holly Jacobson, Carly Quill, Allyson Rideout, Kaleigh St. Clair, Hannah St. John, Camryn Tingdahl, Nora Williamson

The Middleboro Field Hockey team had another amazing season finishing second in the South Shore League with a 9-5-4 record. They persevered and remained strong throughout the entire season. This year's team was led by senior captains Carly Quill, Allyson Rideout, Camryn Tingdahl, and Nora Williamson, with coaches Lisa Perry and Amanda Reynolds. The Sachems qualified for the State Tournament once again and fought a hard battle. Having faced some difficult teams this year, the girls have grown stronger as a unit and are excited to take on next season.

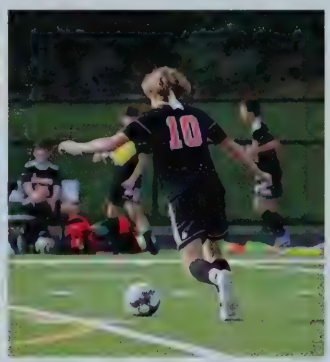
Girls Soccer

Seniors: Jillian Baldassini, Alexandria Birkett, Julia D'Emilia, Emma DeSciscio, Addison Enos, Shaunna Gallagher, Arjanai Jones, Addyson Letendre, Mallory McKenna, Adeline Youngclaus

After losing eleven graduated seniors in the previous season, the Girls Soccer Team had many spots to fill as their season began. With some of the toughest opponents scheduled at the beginning of the season, the team faced some tough losses early on, as well as multiple injuries throughout the season. The Girls Soccer team fought hard for the remainder of their games, but unfortunately fell short of making the state tournament. The team was led by senior captains, Addison Enos and Mallory McKenna and coaches, Dennis Cutler, Mike McKenna, and Justin Pittsley.

Boys Soccer

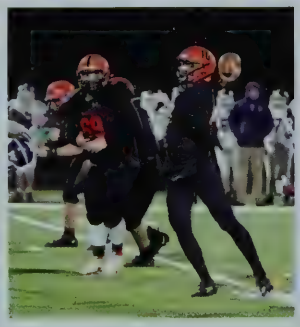
The Middleboro Varsity Boys Soccer Team, led by senior captains Shea Hilton, Erik Sobrinho, Broden Youngclaus, and Duncan Youngclaus, fought hard this season. They turned in several victories over their competition, and walked away with pride even after some tough losses. The boys showed great leadership and camaraderie with one another and are looking forward to next season.

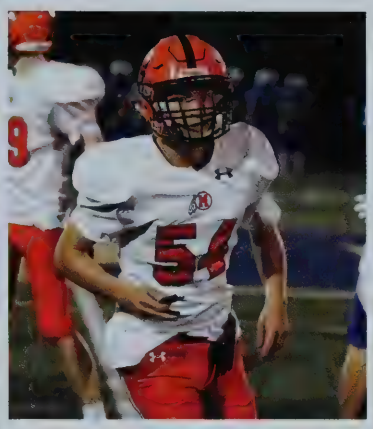


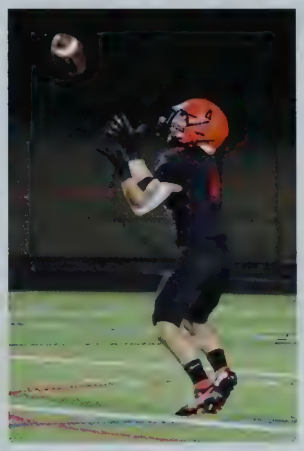
Seniors: Shea Hilton, Erik Sobrinho, James Swarce, Broden Youngclaus, Carter Youngclaus, Duncan Youngclaus

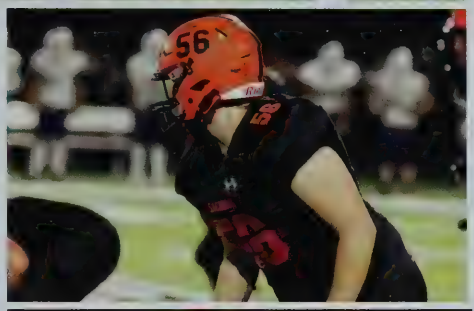
Football

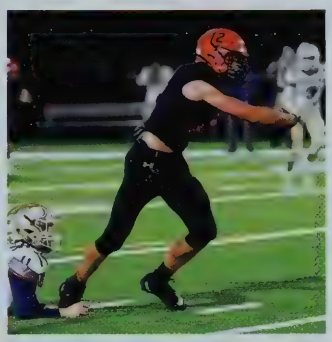
The Middleboro Football Team ended their season with a winning record of 7-4. They were co-champions of the South Shore League, and made it to the tournament, but did not advance past the first round. Led by senior captains Logan Verhaegen, Isaiah Furtado, and Matthew Gwozdz, as well as head coach Patrick Kingman, the Sachems may not have gone as far as they had hoped, but the season revealed dominant performances from many players, and hinted towards a bright future.

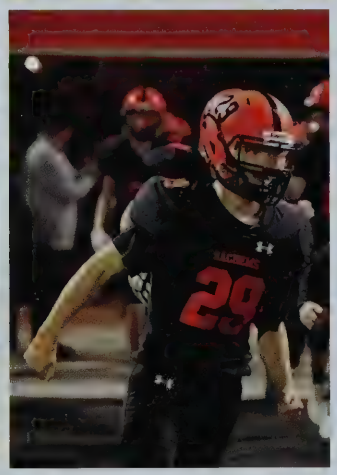






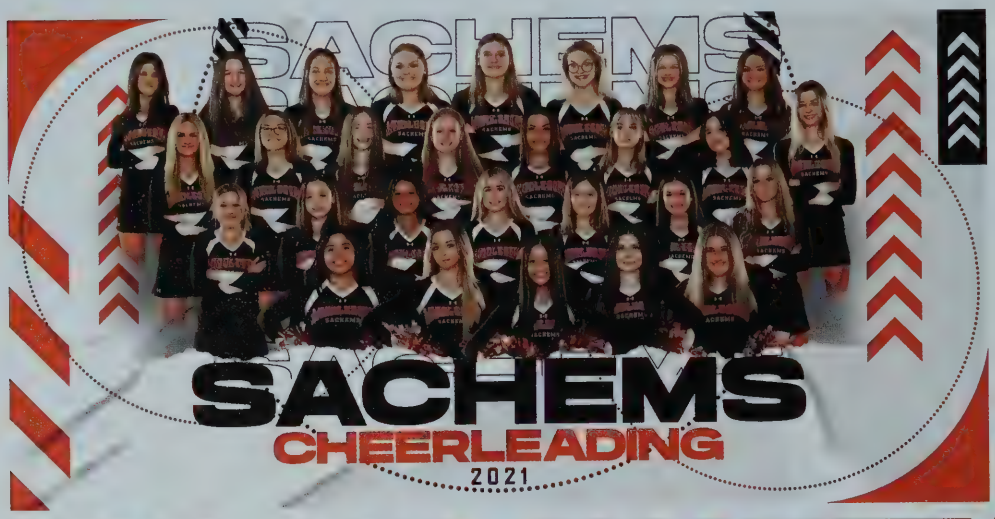




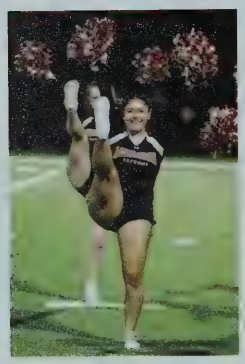


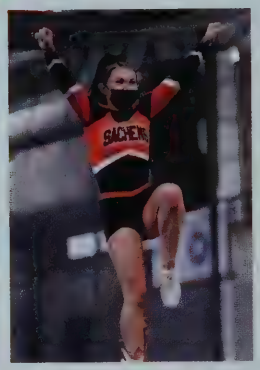
Seniors: John Chor, Michael Correia, Cameron Downey, Isaiah Furtado, Brady Gill, Matthew Gwozdz, Zachary Hayes, Timothy Johnson, Darius Mackiewicz, Michael Malcolm, Patrick Miller, Jalen Moore, Andrew Morey, Brady Strong, Logan Verhaegen, Alexander Von Euw

Fall Cheerleading

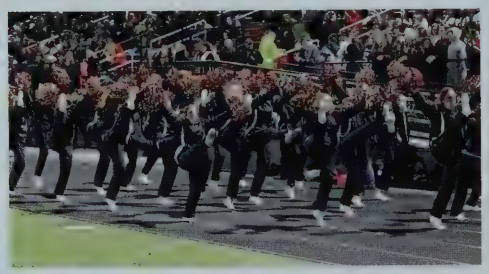


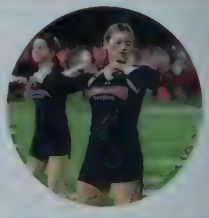
Over the course of the 2021 Fall cheerleading season, the team cheered the Sachem football team on to playoffs while also competing at Leagues, Regionals, and States. At leagues, the Sachem Cheerleaders debuted their routine and received first place in the third division, allowing them to move onto regionals. At regionals, the team performed very well and were able to qualify for the state competition. While competing at states, the cheerleaders performed their best routine of the season, ending strong and being top 15 in the state. The cheerleading team was led by captains Carly Briggs, Ari Dupuy, Paige Maul, and Amelia Stebbins.

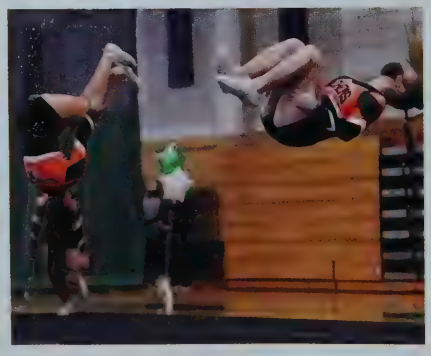




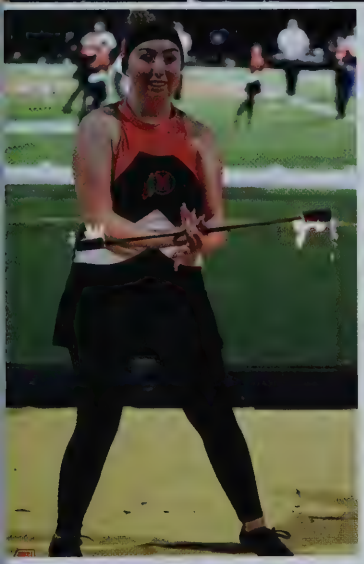
Seniors: Carly Briggs, Korynn Dones, Isabella Generazo, Mackenzie West

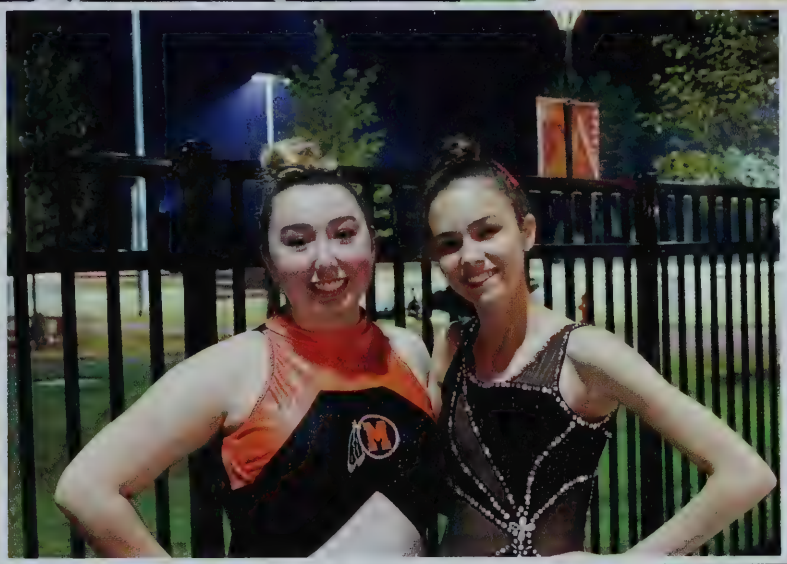


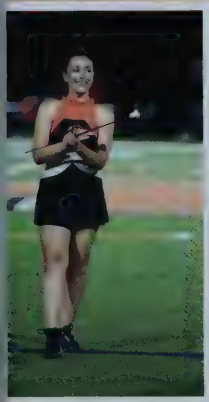




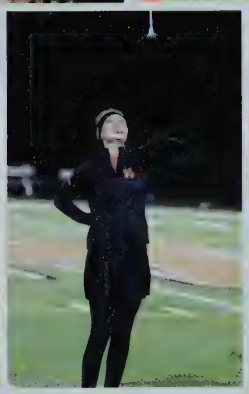
Majorettes





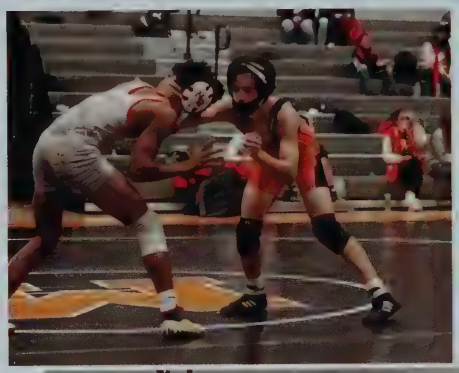


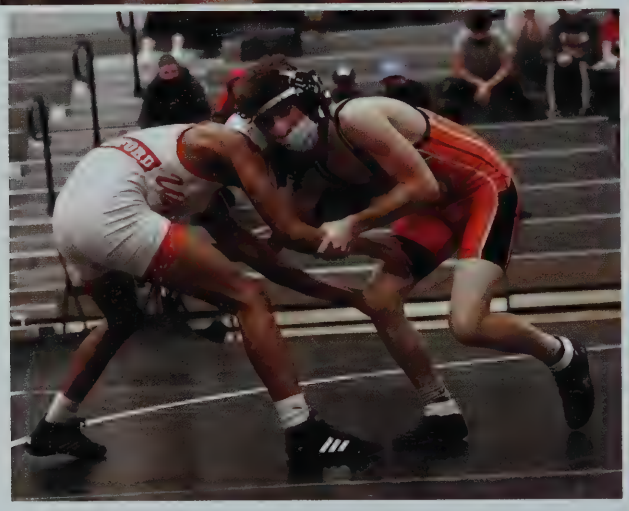
Seniors: Brianna Creamer and Larissa Vieira

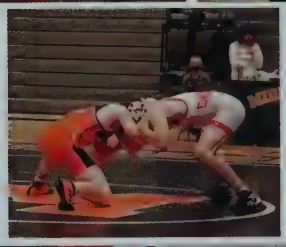


The Middleboro Majorettes had an outstanding year during the 2021-2022 school year. The team started strong with their Football Halftime season in September and hitting its end in November. The Halftime squad was led by Coach Lorraine Frawley and Senior Captain, Larissa Vieira. The majorettes had a lot of success and fun during all of the performances that they put on at the Varsity Football Games. Excitement came as the Majorettes had their first competition season since last competing in March 2020. Getting back into competing with the NEMA Program, instructed by Caity Parker, was a highlight for the Middleboro Majorettes. It's been an eventful year, and the Majorettes have nothing but enthusiasm for the next season.

Wrestling



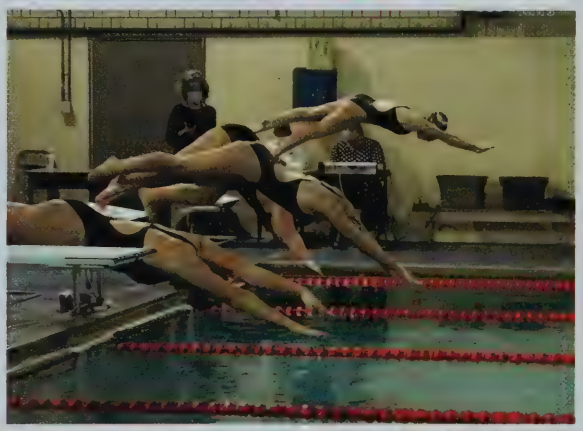




The Sachems Wrestling Team improved greatly as the season went on. Lead by Junior Captains Cullen Holmes and Ayla Goldman, the young team of 6th to 11th graders proved themselves by placing at tournaments and winning many tough matches. The Sachems finished third in the South Shore League, and defeated Belmont 42-30 at home in the MHS gym. The Sachems look forward to working hard for future successes as their wrestling careers continue.

Swimming and Diving

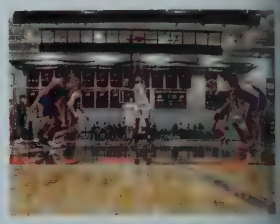
The 2021-2022 season for the Middleboro swim team was full of challenges, but the team was overall very successful! Covid cases hurt the team after Winter break, but they were able to hold strong and keep a winning record despite being short on teammates. Leading the team this year were captains Kaleigh St. Clair, Ryan Green, and Ben Bramwell. They kept the energy high, and encouraged everyone to keep going and swim their best each day! The Girls are setting out for a repeat League Championship! The Boys are hoping to lock in the championship this year as they just barely lost last year!



Seniors: Benjamin Bramwell, Ryan Green, Cameron Morgan, Kaleigh St. Clair, Olivia Pasquarello

Boys Basketball

Seniors: John Chor, Cameron Downey, Isaiah Furtado, Timothy Johnson, Jalen Moore, Gianni Perea, Ryan Sigren, Justin White, Derek Zakrosky



The Sachems Boys basketball team in the 2021-2022 season, was the strongest it has been in two decades. With a brand new gym and spirits high from the previous year's undefeated regular season, the boys were ready for a fight. Led by senior captains Cam Downey, Jalen Moore, Isaiah Furtado, and Gianni Perea, the team was full of energy and passion all season long. With a 20 game season, the Sachems managed to win a majority of their games and experience a couple of losses to learn from. More importantly, the team cemented the first playoff berth in 20 plus years at Middleboro High School. The push and motivation of the 13 players on this squad was better than anyone could ask for. Not only the talent brought them here, but the pure heart.

Girls Basketball

Seniors: Shaunna Gallagher, Riley Griffin, Olivia Sacchetti, Olivia Taylor, Alexandra Williams

The 2021-2022 Girls Varsity Basketball season started out very strong for the Lady Sachems! They got ahead and ran away with a 5-0 start! After this start, things started to go south when players were lost for a week or so because of Covid. It was definitely a rough patch, and the Sachems ended up losing 4 games straight. They were very down, but had to pick themselves and each other up. Senior captains Riley Griffin, Alex Williams, and Shaunna Gallagher had to pull it together and pull everyone else out of the mud. The team has a lot of positivity coming from the underclassmen and they couldn't have done it without them. Eventually the team started to win again. The Sachems played 22 games, and needed 11 to qualify for tourney. With just 3 games left, on February 17, the team qualified for the 2022 State Tournament. The girls are hoping to finish the season strong and make their mark in the tournament.

Hockey

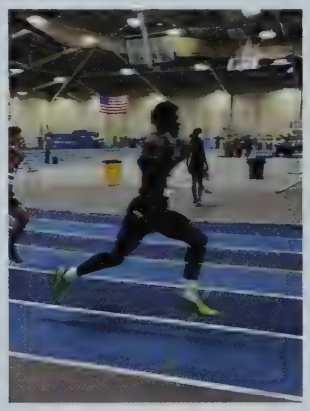
Seniors: Dylan Bush, Aidan Carey, Max Eason, Shane Hathaway, Matthew LaBollita, Zachary Leavens, Robert McNaughton, Daniel Mokeler, Joshua Murphy, Broden Youngclaus, Duncan Youngclaus

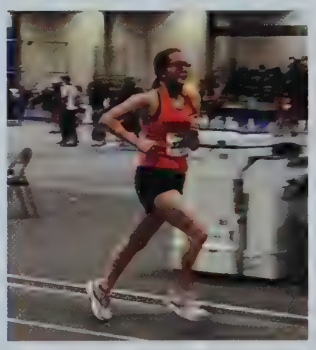
The 2021-2022 Middleboro Hockey Team has kicked off their season with a current 6-5 start. Facing some tough competition, the Sachems started off 0-3, but were able to bounce back and win 6 of their last 8. Both senior captains Aidan Carey and Robbie McNaughton contribute to the team on defense, while Senior forwards Josh Murphy, Matt LaBollita, Duncan Youngclaus and Freshman winger Sam Steinman rack up some points. Goalie Lincoln Molind has been a huge part of the team, keeping the Sachems in a lot of games. Coaches Scott Drevtich and Steve Chamberlain hope to keep working their team, in order to make the tournament. With 9+ games left, the Sachems need to win at least 4 more to qualify for state tournament play.

Winter Track

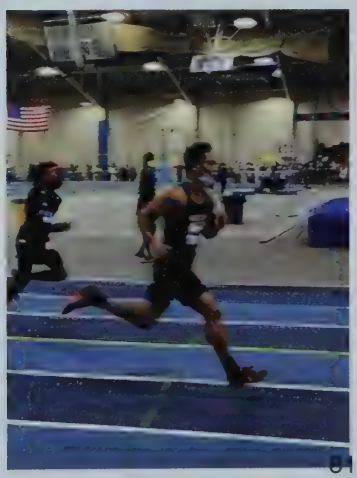
The boys had a strong season finishing 7-0, and winning their first South Shore League Championship. The team was led by seniors Michael Correia, Noah DeGrazia, Zackery Lowell, and Michael Neitlich. The team was awarded 6 league all-stars, which were given to, Noah DeGrazia, Nathan Donahue, Charlie Montross, Michael Neitlich, Bolu Sotonwa, and Lekan Sotonwa. The team finished strong in the post-season at the Divisional State Meet with Michael Correia running the 55m, Nathan Donahue running the 55m hurdles and competing in the long jump, Charles Montross running the 55m hurdles and competing in the high jump, Bolu Sotonwa running the 300m, 4x400m, and competing in the long jump, Noah Degrazia running the 1000m and 4x400m, Lekan Sotonwa running the 1 mile and 4x400m, and Michael Neitlich running the 600m and 4x400m. Michael Neitlich was the divisional state champion in the 600m race and will compete at All-States in the 600m, along with the 4x400m team of Noah Degrazia, Lekan Sotonwa, Bolu Sotonwa, and Michael Neitlich.

Seniors: Alexis Bouldry, Michael Correia, Noah DeGrazia, Madisyn Hancock, Shea Hilton, Alexandra Kirkpatrick, Lillian Kirkpatrick, Zackery Lowell, Mallory McKenna, Michael Neitlich





The girls continued their 5-year Championship streak, going 7-0, to win the South Shore League Championship. The team was led by seniors Alexis Bouldry, Madisyn Hancock, Ally Kirkpatrick, Lilly Kirkpatrick, and Mallory McKenna. The team was awarded 6 league all-stars which were awarded to Alexis Bouldry, Elle Bush, Ally Kirkpatrick, Brooke Main, Mel Rees, and Isabel Wheeler. Isabel Wheeler was also named the SSL MVP. The team finished strong in the post-season at the Divisional State Meet with Brooke Main competing in the 300m, Ally Kirkpatrick competing in the mile, Isabel Wheeler competing in the 55m hurdles, high jump, and long jump, Mia Lee-Bowens competing in the 55m hurdles, Elle Bush competing in the long jump, and Alexis Bouldry and Mel Rees competing in the shot put.



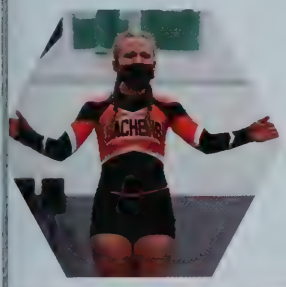
Gymnastics

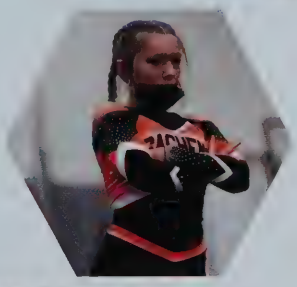
Seniors: Alyssa Rouillier & Jennifer Traynor

The 2021-22 season for the gymnastics team was hard. A large obstacle that they had to overcome as a team, was the fact that they had only six competing girls. The team had the disadvantage of practicing on a basketball court on a floor with no springs, so the ability to learn new skills was difficult. Despite Covid going around, having a small team, and not practicing in an actual gym, the girls kept positive attitudes, and persevered. As a team, they have come a long way together, and have built strong bonds with one another. Throughout the season they have grown individually and as a team and will continue to grow stronger throughout the upcoming years.

Winter Cheerleading

Senior: Carly Briggs





In the 2022 Winter Cheerleading season, the team was led by captains Carly Briggs, Ari Dupuy, and Meghan Murphy. The Sachem Cheerleaders cheered the Boys Basketball team on at every home game they had, and performed a half time routine. At games, they were able to show off their stunts and tumbling to the crowd. The team competed at the League Competition and were awarded second place. The score allowed them to qualify for the Regional Competition. Their season isn't over yet but their goal is to compete at regionals and hopefully make it to states to end the season.

Spring Sports 2021

Softball

Mandi Bukunt and Leanne McDonald, the senior captains of the 2021 Middleboro High School softball team, helped lead the girls to a 19-1 season. After winning the League Championship against Abington 5-4, the girls went on to compete in the State Tournament making it to the division final but falling short to Dighton-Rehoboth, 5-3. Although the team did not go all the way, they had much success competing with teams within their league. The Sachems went through their season dominating every team they came across, and they plan on continuing the drive to states next season.

Shayne Quersher and Justin Plausky, the senior captains of the Middleboro High School Baseball team, helped lead the Sachems to a 17-1 overall record during the 2021 season. After easily winning the League Championship 8-1 against Abington, the Sachems entered the State Tournament with a confident outlook, striving for another State Championship. Making it all the way to the Sectional Championship, the Sachems were three games from the state finals, but unfortunately fell short to Medfield, 13-0. Although the Sachems fell short of their goal, they are looking to bounce back with a chip on their shoulder going into the 2022 season.

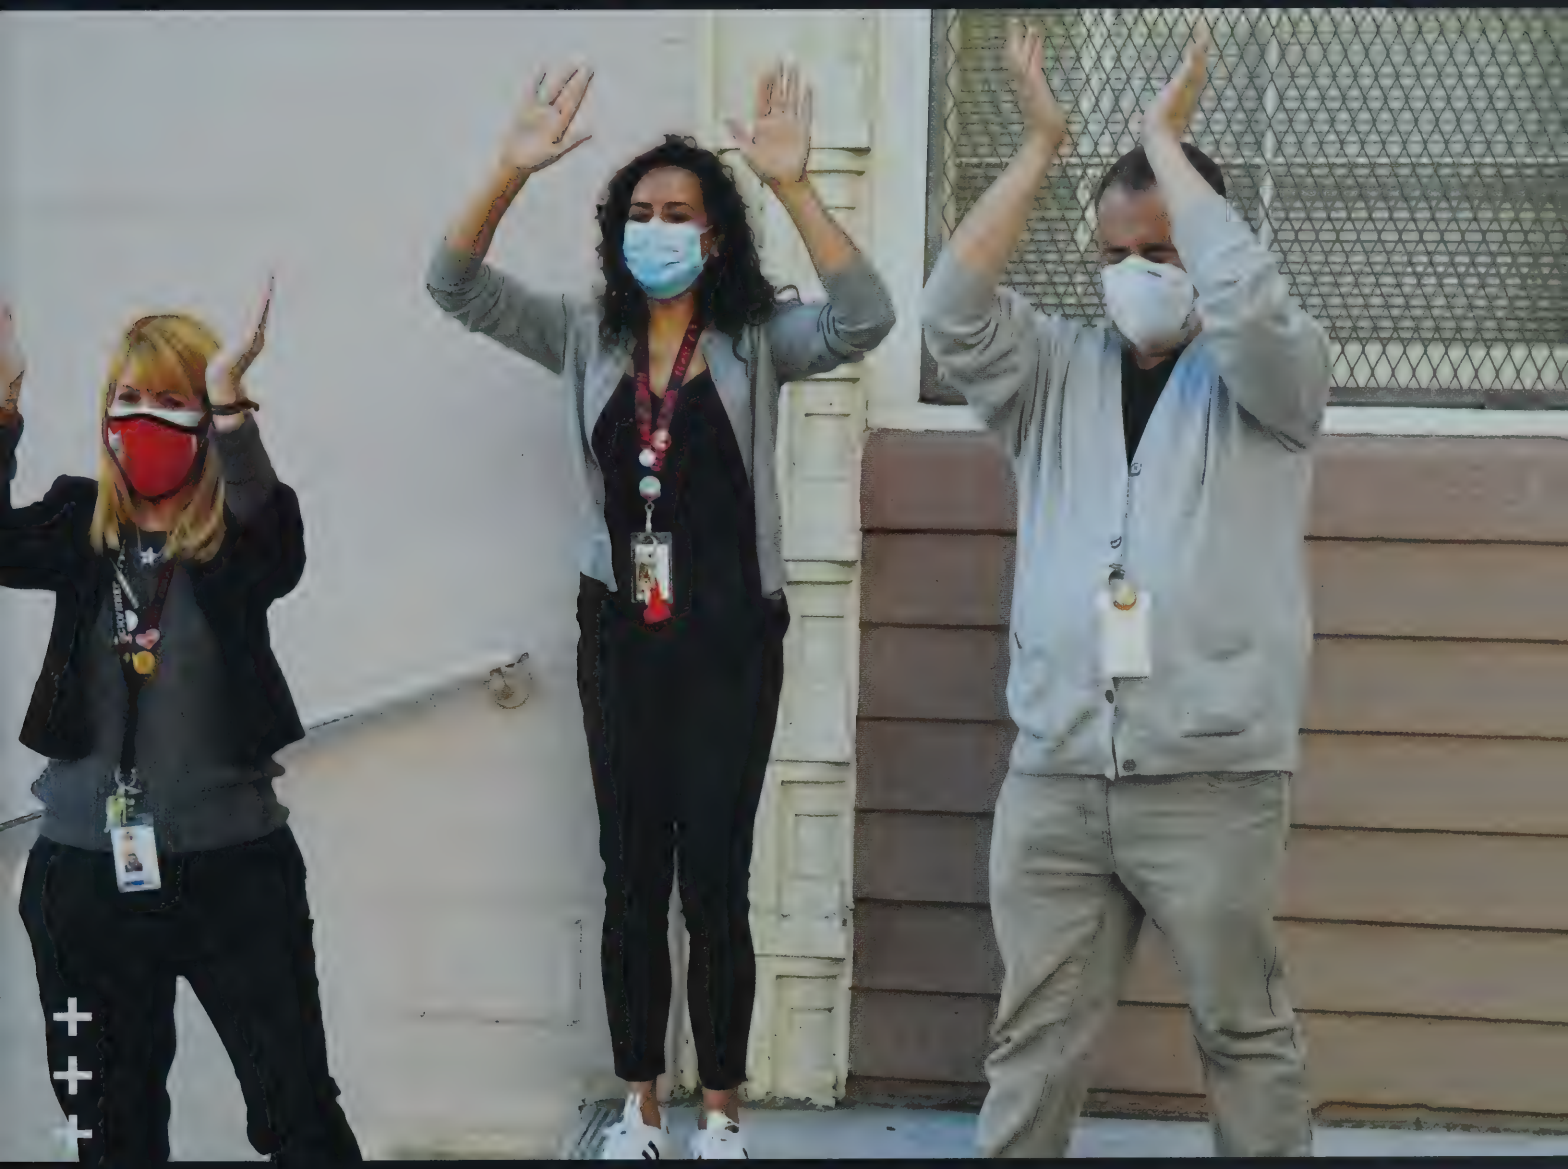
YEAR TWO++



As the COVID-19 pandemic continued into year two, it offered unexpected challenges. Businesses found ways to innovate and stay afloat. Schools, many of which lost students to homeschooling, developed creative solutions to keep students enrolled and engaged. And while approved vaccines brought the promise of a return to normal, virus variants Delta and Omicron challenged an already-stressed health care system. Even so, 99% of students remained in school full time at the end of 2021.

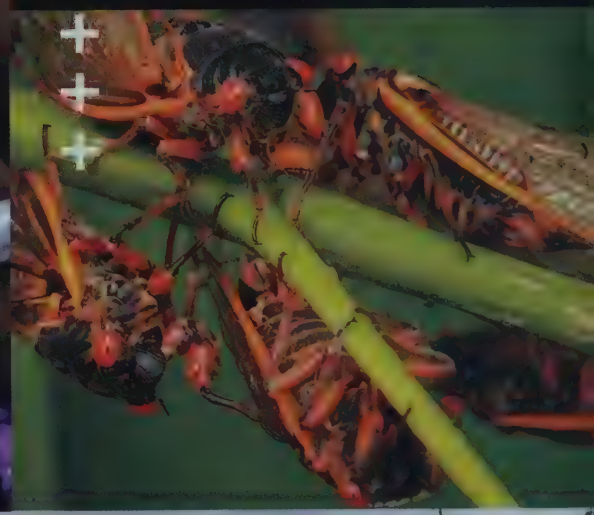
HEADLINES

MALARIA VACCINE SUCCESS

A century of research finally led to the creation of an effective malaria vaccine approved by the World Health Organization (WHO) in October. A study estimated that the GlaxoSmithKline vaccine, Mosquirix, could prevent 5.4 million cases and 23,000 deaths in children under five annually.

BROOD X RETURNS

Billions of Brood X cicadas, the largest group of 17-year periodical cicadas, emerged from their underground habitat after almost two decades, both delighting and annoying human observers. Periodical cicadas are famous for being a noisy member of the natural world.

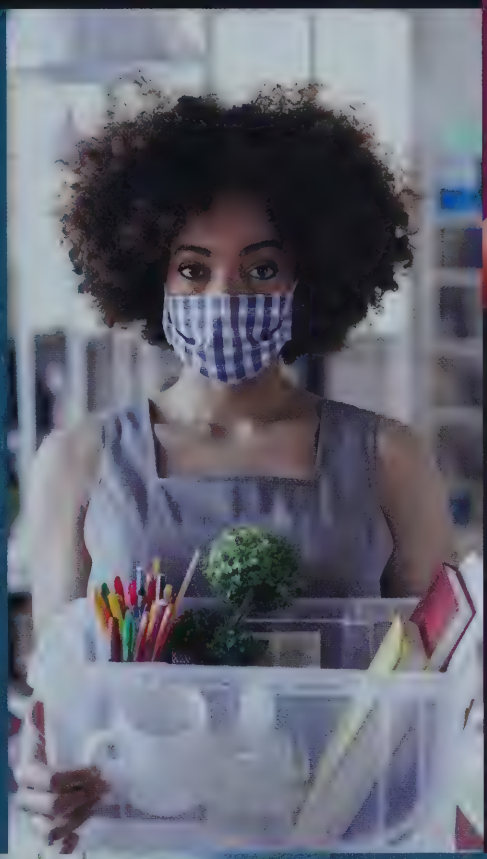


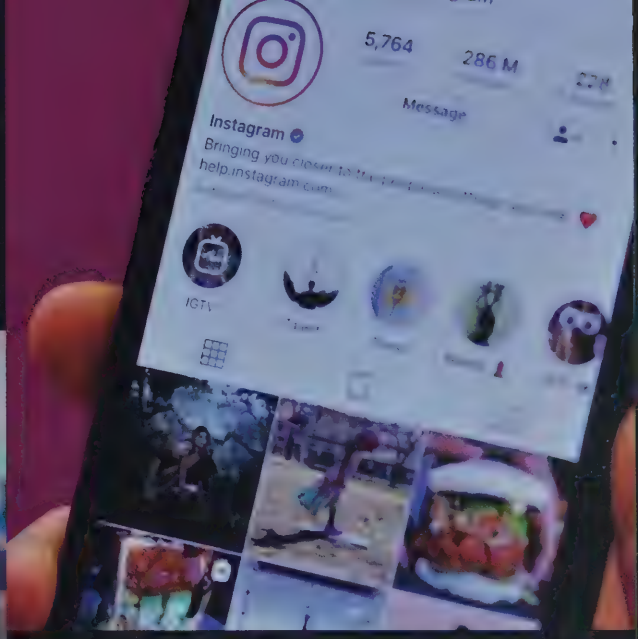
HURRICANE IDA HAVOC

On the 16th anniversary of Hurricane Katrina, Ida hit the coast of Louisiana as a Category 4 hurricane with 150 mph winds. Ida knocked out power for 1 million in Louisiana and caused food, water and fuel shortages. The storm also hit the Northeast U.S., bringing tornados, flooding and record rainfall.

THE GREAT RESIGNATION

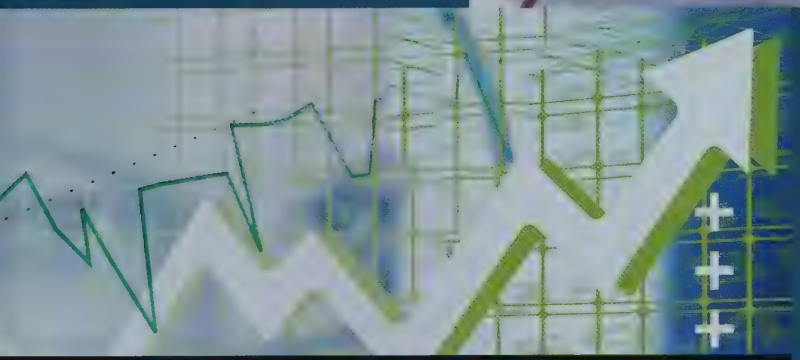
Workers quit their jobs in record numbers, a phenomenon that Texas A&M Associate Professor Anthony Klotz named "The Great Resignation." School disruptions, COVID-19 risks, and work-from-home arrangements left workers reexamining their priorities, often leaving jobs to make long-desired career changes, leaving employers struggling to run viable businesses.





SOCIAL MEDIA RISKS

Facebook, Instagram and TikTok were found to use algorithms that directed users toward unhealthy weight loss videos or filters that could negatively impact body image, leading to feelings of inadequacy or self-harming behaviors in some users.



NOBEL PEACE PRIZE

Two journalists, Filipino Maria Ressa and Russian Dmitry Muratov, won the 2021 Nobel Peace Prize for fighting to maintain freedom of expression while facing censorship, legal charges and threats of violence.

INFLATION RATE

The end of 2021 saw demand outpacing supply, heating the U.S. economy to a 7% inflation rate, the highest in 40 years. Even though pandemic government aid and higher wages increased consumer demand, supply shortages led to rising prices for food, fuel, automobiles and other consumer goods.

HEADLINES

HOME FROM AFGHANISTAN

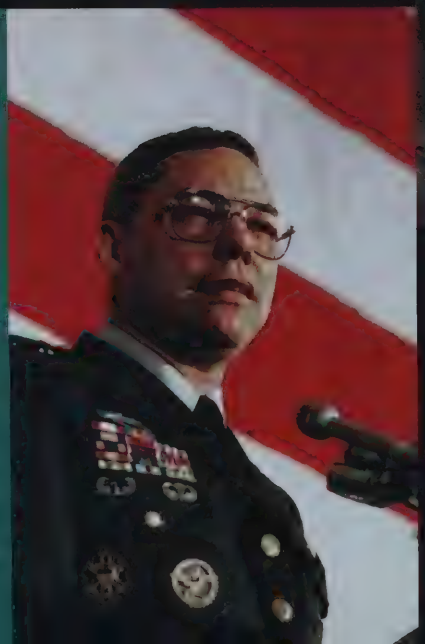
The last U.S. troops flew out of Kabul on August 30, 2021, 20 years after George W. Bush sent soldiers to Afghanistan with the mission of overthrowing the Taliban and fighting Al Qaeda. After Taliban forces occupied Afghanistan's capital on August 15th, U.S. forces and their allies helped evacuate 123,000 civilians, including American citizens and Afghan allies, amidst chaos at Hamid Karzai airport.

CHILDREN'S PEACE PRIZE

17-year-old Vihaan Agarwal and his 14-year-old brother Nav won the 2021 International Children's Peace Prize for their pollution-fighting project One Step Greener, which picks up and separates garbage and recycling from over 1,500 schools, offices and homes in Delhi, India, one of the most polluted cities in the world.

COLIN POWELL

Colin Powell, who during his military career received 11 military decorations, served as chairman of the Joint Chiefs of Staff during the Gulf War and then as secretary of state under President George W. Bush, died on October 18, 2021 at age 84. Powell was one of the most admired and respected U.S. statesmen.



DESMOND TUTU

Archbishop Desmond Tutu, who along with Nelson Mandela helped end the South African policy of apartheid (forced racial segregation), died on December 26, 2021 at age 90. The first Black South African archbishop, Tutu won the Nobel Peace Prize for his advocacy to end the apartheid system.

TIME'S PERSON OF THE YEAR

Time magazine named billionaire Elon Musk, chief executive of electric car manufacturer Tesla and space exploration company SpaceX, the 2021 Person of the Year. The designation is given to the person or people that *Time* considers most influential, whether positive or negative, during the year.

SURFSIDE COLLAPSE

Early on June 24, 2021, Champlain Towers South, a 40-year-old once elegant condominium building in Surfdside, Fla. partially collapsed, killing 98 — one of the worst building failures in U.S. history. Emergency workers pulled 37 survivors from the rubble, including a 16-year-old girl who fell five stories and a 15-year-old boy found under a mattress.

CLIMATE SUMMIT

Nearly 200 nations signed an agreement to drastically cut carbon emissions in the next decade but failed to achieve the Paris Accord's goal of limiting global warming to 1.5 degrees Celsius by the year 2050. Outside, tens of thousands activists gathered, many of them young people.

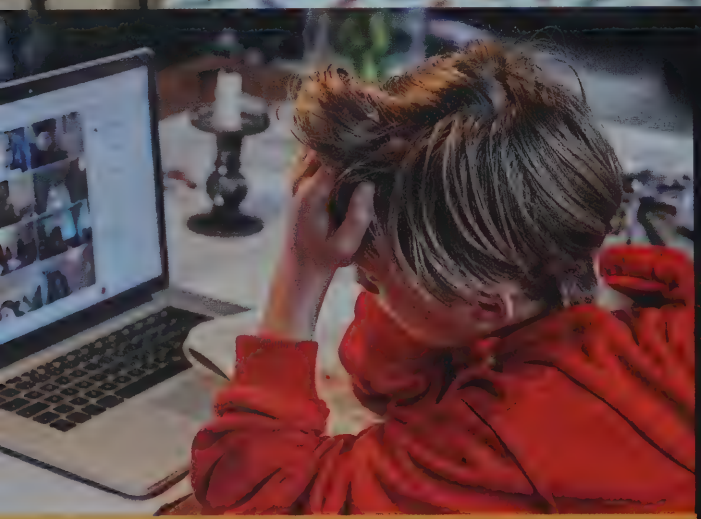
BETTY WHITE

Recognized by *Guinness World Records* as the woman with the longest acting career, Betty White died December 31, 2021. White won three Emmy awards and a Screen Actors Guild Life Achievement Award. Fans honored White by donating $12.7 million to animal shelters weeks later on what would have been her 100th birthday.

COVID-19

KIDS' VACCINES GREENLIGHTED

After authorizing emergency use of the Pfizer-BioNtech COVID-19 vaccine for those 16 and older, the FDA amended the order in May 2021 to include 12–17 year olds. In October, this approval was extended to 5–11 year olds. As of December 8, 2021, the CDC reported that 61% of 12–17 year olds and 16% of 5–11 year olds had received at least one dose.

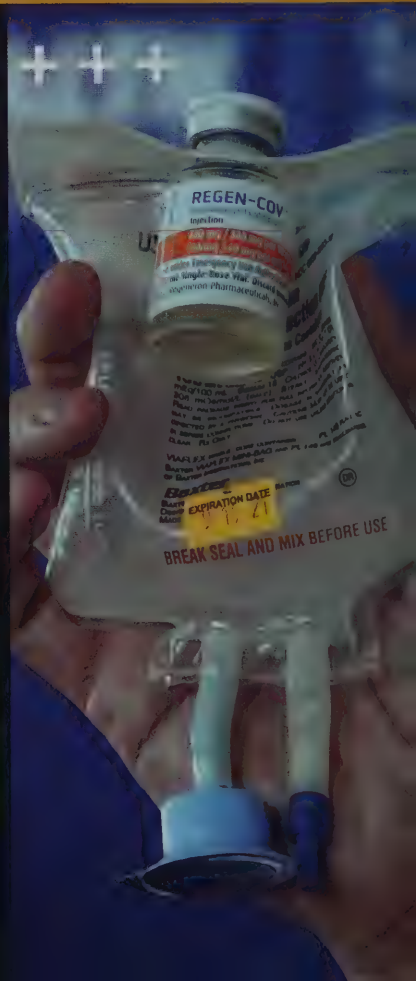


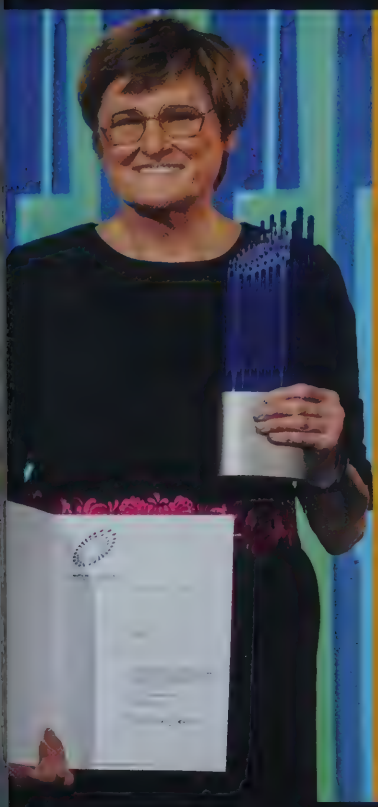
ZOOM FATIGUE

Virtual learning and work during COVID-19 contributed to Zoom fatigue. A Stanford University study concluded that virtual communication requires more mental work than in person. In Zoom, your brain may be working harder to compensate for lost nonvisual cues and body language.

PROMISING TREATMENTS

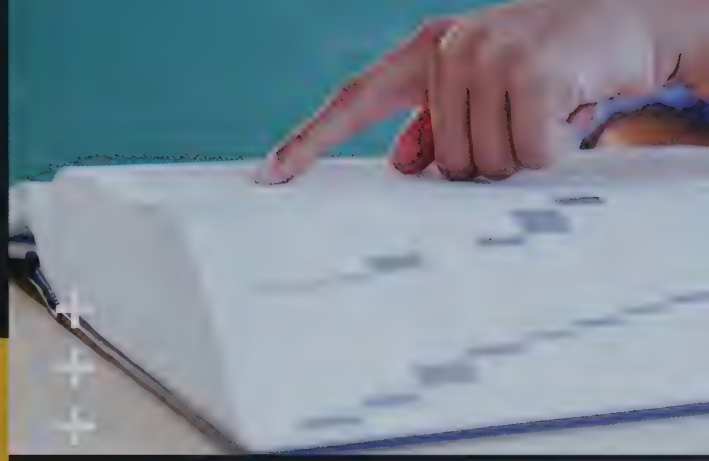
Several treatments emerged to help COVID-19 sufferers at increased risk of serious illness avoid hospitalization or reduce complications. In December 2021, the FDA authorized emergency use of Paxlovid, a prescription-only oral antiviral pill, as well as several monoclonal antibody treatments that work by interfering with virus replication.





mRNA VACCINE SCIENTIST

Decades of research led Hungarian American biochemist Katalin Karikó to the creation of messenger RNA (mRNA) vaccines, like those used against COVID-19. Karikó's research with immunologist Drew Weissman led to their success. Karikó continues to study and refine the BioNTech vaccine.



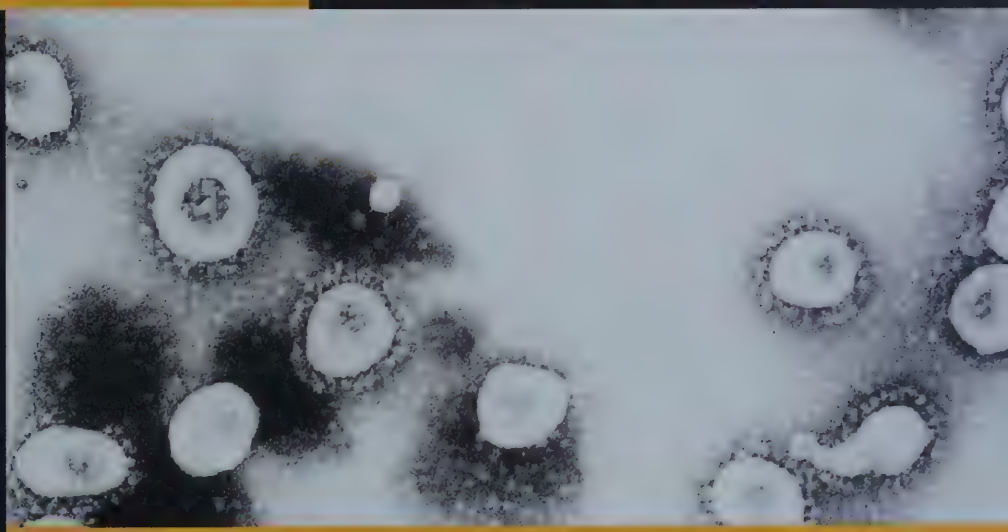
NEW FOR 2021

In October, Merriam-Webster's dictionary added 455 new words, including the following COVID-19 references:

1. breakthrough - an infection in someone who has been fully vaccinated
2. long COVID - condition with symptoms that continue after COVID-19 recovery
3. vaccine passport - digital or hard-copy proof of vaccination

WEAK SUPPLY CHAIN

Multiple factors, including COVID-19 quarantines, led to massive shipping delays. Shortages of goods like cars, computers, toys and bicycles were seen across the globe. Companies and governments scrambled to build production plants and calm frantic customers in advance of the winter holidays.



DELTA WAVE, OMICRON TSUNAMI

By the summer of 2021, things were starting to return to normal, then the Delta variant of COVID-19 arrived. By December, the newest variant, Omicron, a highly contagious form of the virus, replaced Delta's position as the most common type of COVID-19 infection being diagnosed.

SPORTS

ATHLETES CHOOSE MENTAL HEALTH

In May 2021, top-ranked tennis star Naomi Osaka dropped out of the French Open. Only months later, Olympic gold-medalist Simone Biles withdrew from the gymnastics competition in Tokyo. Osaka reported suffering bouts of depression while Biles cited a dangerous phenomenon called "the twisties," where a gymnast, midair, cannot remember what to do next.

LEE'S OLYMPIC FIRST

Sunisa ("Suni") Lee, the first Hmong American to qualify for the Olympics, became the first Asian American to earn a gold medal in the women's gymnastics all-around competition. While COVID-19 restrictions kept her family from attending, family and community members watched remotely. The video of their wild cheers when Lee won went viral.

CHICAGO'S WNBA FIRST

October 2021 saw the Chicago WNBA franchise, Sky, win its first championship series, defeating the Phoenix Mercury in four games. Playing to a sold-out arena, the Chicago Sky scored 80 points to the Mercury's 74 in the final game.

ATLANTA WINS

The Atlanta Braves took the World Series with a 7-0 Game 6 shutout of the Houston Astros in November 2021, the franchise's first World Series victory in 26 years. In July, manager Brian Snitker acquired four players in late-season trades, including Jorge Solera, who was chosen Series MVP.

SUPER BOWL LVI

The Cincinnati Bengals and Los Angeles Rams battled it out in an exciting game with the Rams winning 23-20. The Rams were only the second team in NFL history to play in the Super Bowl at their home stadium. For the first time, the halftime show featured hip-hop and rap artists singing recognizable hits from the past.

BATTLE OF THE TEENS

Two teens, 18-year-old British player Emma Raducanu and 19-year-old Canadian player Leylah Fernandez, become the first unseeded pair to meet at the U.S. Open Women's Final. Raducanu beat Fernandez in straight sets, 6-4, 6-3, to become the youngest woman to win a major tennis tournament since the 2004 Wimbledon final.

SPORTS

Stanley Cup Ring Produced by Jostens®

CARLI LLOYD RETIRES

Carli Lloyd left the field to a standing ovation in her 316th and final game with the U.S. Women's Soccer Team, a 6-0 win over South Korea. The 39-year-old New Jersey native retired with two World Cup titles and two Olympic gold medals. Lloyd passed her no. 10 jersey to Lindsay Horan, who will wear the number starting with the 2022 season.

TWICE AS NICE

The Tampa Bay Lightning beat the Montreal Canadiens 4 games to 1 in a 7-game playoff series, winning their second Stanley Cup title in nine months. This time they played in front of a full-capacity home crowd, unlike the previous victory over Dallas in an empty Edmonton arena.

THE BUCKS ARE BACK

The last time the Milwaukee Bucks won the NBA Finals, in 1971, powerhouse Kareem Abdul-Jabbar, then known as Lew Alcindor, led them to victory. This year, the Bucks beat the Phoenix Suns in six games, 4-2, with MVP Giannis Antetokounmpo scoring 50 points in the final game of the 2021 championship.

NYCFC CLAIM FIRST CUP

New York City Football Club captured their first Major League Soccer Cup in franchise history. They defeated the Portland Timbers 4-2 in a penalty shootout. This was the Timbers second consecutive defeat, having reached MLS Cup three times in seven years.

SCHOOL MAKES HISTORY

For seven years, the football team at California School for the Deaf in Riverside didn't win a single game. Then, in 2021, the Cubs, whose players and coaches are all completely deaf, averaged 65.6 points per game in a 12-1 storybook season. Cubs wide receiver Enos Zornova pointed out that communicating in ASL, their native language, gave the Cubs an advantage, making team huddles unnecessary.

TECH & TREN

POWERFUL SOLAR FLARE

In October 2021, a Class X solar flare, the most powerful category of flares, erupted, and powerful NASA cameras captured the activity from the closest point ever. The flare caused the aurora borealis, or Northern Lights, to be visible in the U.S. as far south as Utah. Powerful flares can disrupt atmospheric activity such as GPS and communications signals.

ELECTRIC CARS

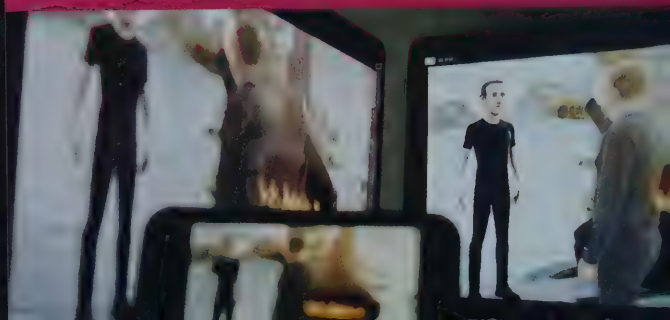
Ford announced an $11.4 billion plan to build new battery plants and set goals for battery-powered pickup trucks. In addition, Ford announced an electric version of the F-150, the F-150 Lightning, by spring 2022. GM also planned new battery-production plants, and Toyota switched its focus from hybrid to fully electric vehicles.

BILLIONAIRE SPACE RACE

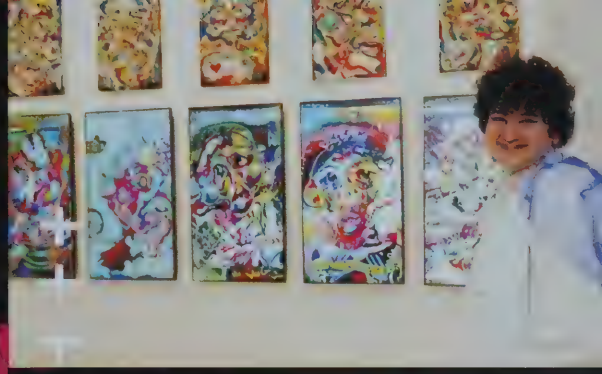
In July 2021, NASA announced the Entrepreneurs Challenge, calling on private companies and individuals to help develop space technology. Challenge accepted by British billionaire Sir Richard Branson and crew. Nine days later, Jeff Bezos took a 10-minute trip into space on his crewed Blue Origin spacecraft, New Shepard. Elon Musk's September SpaceX mission, Inspiration 4, was the first with an all-civilian crew and a previously used rocket.

THE METAVERSE

Mark Zuckerberg rebranded Facebook as Meta in October 2021, signaling his intent to dominate the immersive 3-D virtual world. As already seen in 3-D games such as Fortnite, a *metaverse* is a virtual world with avatars that lead exciting alternate lives on behalf of their human counterparts.



DS



TIKTOK TOPS GOOGLE

TikTok surpassed Google as the most-visited site in 2021, first eclipsing the search engine in February and clearly dominating by summer. As of July 2021, users had downloaded the TikTok app over three billion times.

THE NFT BOOM

Unlike cryptocurrencies and stocks, anyone can create and sell one-of-a-kind digital creations called non-fungible tokens or NFTs. 18-year-old Victor Langlois, known as FEWOCiOUS, sold five lots of his work for $2.16 million.

WEBB TELESCOPE

Twenty years of development culminated in the launch of the James Webb Space Telescope, a U.S.-Canadian-European mission to explore the universe, search for life beyond our solar system and understand black holes.

DISNEY TURNS 50

On October 1, 1971, Orlando's Disney World opened for business. This year, it kicked off its 50-year anniversary with sold-out hotels, long waiting lines, and confetti cannons. The 22-month celebration will include new rides, a new luxury hotel, and a wearable "MagicBand+" for interactive experiences. Disney World now employs 700,000 and sees over 50 million visitors each year.

SPIDER-MAN IS BACK

The latest in the eight-movie Spider-Man franchise, *No Way Home* broke records and warmed the hearts of Hollywood executives, despite its theater-only release. *No Way Home* pulled together storylines and characters from several previous Spider-Man films. On opening weekend, 20 million fans saw *No Way Home*, which earned $253 million in North America.

MUSIC

40 YEARS OF MTV

The MTV Video Music Awards ceremony was back on a New York City stage in 2021 after a virtual event in 2020. This event celebrated the network's milestone 40th year. Big winners for the year included Lil Nas X, Justin Bieber and Olivia Rodrigo.

SPOTIFY WRAPPED 2021

For two years running, Spotify's most-streamed artist globally was Puerto Rican reggae performer Bad Bunny. Rounding out the Top 5, in order, were Taylor Swift, BTS, Drake and Justin Bieber.
